ABOUT COLLEGE

Merchant Institute of Technology (formerly Sardar Patel Institute of Technology), with sprawling beautiful scenery, breathtaking gardens and splendid environment, is situated on Mehsana-Visnagar Highway, through a purpose of enriching new generation students and engineers with knowledge and skills in professional area for the growth of nation, which is affiliated to Gujarat Technological University, Ahmedabad and approved by All India Council for Technical Education, New Delhi.

VISION

The institution will be a world frontrunner in preparing professionals who provide vibrant leadership and exemplary educational and related services to improve the lives of individuals in a changing and complex global civilization.

MISSION

Our mission is to prepare outstanding educators, scholars, and researchers, and to advance in the modern engineering concept of creation, management and sustenance of eco-Friendly technology, through research on the science and art of education and knowledge.

QUALITY POLICY

We at MIT, under MCT group of Institutions are working in close liaison with industry to give more concrete exposure to the students. They are exposed to practical on the modern production floor in the different segments of the industry in Gujarat.

Main concern is to develop multi-tasking ability by making work for the industry useful projects by allocating industry mentors from the different sectors in engineering industries.

"EDUCATION IS THE MOST POWERFUL WEAPON WHICH YOU CAN USE TO CHANGE THE WORLD." - NELSON MANDELA

Shri Merchant Charitable Trust (MCT) is established with a tenacity of enriching the wireless generation of students with knowledge and skills. We started our journey towards imparting higher education to the present day aspirants of quality education in areas of Engineering and technology, Management studies, Computer sciences, Pharmaceutical sciences and Education.

Our institutes of higher education have the major goal of enabling the learners to grab their present learning and embrace the uncertain future with confidence, enthusiasm, commitment and dynamic energy overflowing with impressive ideas.

To fulfill our commitment to students and motivate our faculty in forging ahead in their careers, we have initiated a process of collaborations with universities and corporate leaders of India and abroad.

We are constantly working on our academic strategies and reaching out to the world to seek partners who share our enthusiasm and passion for higher education.

I welcome all the stake holders in the area of higher education to join hands with us and make difference in the way we educate our forthcoming generation.

Shri R D Patel
Chairman
Merchant Charitable Trust

WHERE TECHNOLOGY... EMPOWERS YOUR DREAMS

We, the MIT, provide technologically advanced and intellectually inspiring environment of learning, research, creativity, innovation and professional activity in one side. MIT dedicates and commits to achieve, sustain and cultivate unmatched excellence in technical education and also to bring socio economic development and facilitate competency building in the north Gujarat region in particular and the state-nation in general. Also on other side we believe and following the words said by Mahatma Gandhi:

- Keep your thoughts positive, because your thoughts become your words.
- Keep your words positive, because your words become your behavior.
- Keep your behaviour positive, because your behaviour becomes your habits.
- Keep your habits positive, because your habits become your values.
- Keep your values positive, because your values become your destiny.

And finally, integration of both – technological advancement along with positive attitude with highest level of moral values makes a life easier and stronger which makes not only overall development of individuals but society and nation as a whole.

Dr H N shah
Principal

PROGRAMS PORTFOLIO

UNDERGRADUATE

MIT offers Bachelors in Engineering, four years full-time program, approved by AICTE, New Delhi and affiliated to Gujarat Technological University, Ahmedabad.

- Bachelor of Engineering in Automobile
- Bachelor of Engineering in Civil
- Bachelor of Engineering in Computer
- Bachelor of Engineering in Mechanical

POST GRADUATE

MIT offers Masters in Engineering, two years full-time program, approved by AICTE, New Delhi and affiliated to Gujarat Technological University, Ahmedabad.

- Master of Engineering in Civil (Structural)
- Master of Engineering in Mechanical (CAD/CAM)
- Master of Engineering in Mechanical (IC Engines & Automobiles)
- Master of Engineering in Mechanical (Thermal)

ENGINEERING

AUTOMOBILE

This decade is witnessing a rapid growth in an Automobile industry due to liberalization, which demands of specialists in this field. The main aim is to prepare students for successful careers in automotive and ancillary industry that meet the needs of Indian and multinational companies.

CIVIL

The Department of Civil Engineering seeks to provide an excellent environment in which students and faculty are engaged in a comprehensive up-to-date education process of the highest quality in all aspects of computing. The mission of the department is to produce the next generation of Civil Engineers.

COMPUTER

Computer Department aims to produce computer professionals with analytical and logical skills along with knowledge in a wide range of computing areas like Soft Computing, Artificial Intelligence, Computer Graphics and Vision, Multimedia and Networking. The study of the theoretical foundations of information and practical techniques for their implementation and application in computer systems form the essence of Computer engineering.

MECHANICAL

The Mechanical Engineering Department educates the engineers of tomorrow by integrating classroom theory and practical hands-on projects, by emphasizing the process of learning and critical thinking, by conducting original research, and by promoting professional relationships among the university, the business community, and engineering colleagues.

SCIENCE & HUMANITIES

The Science and Humanities Department is a multi-disciplinary in its orientation and is the base of the Engineering College has expertise in four disciplines: Physics, Environmental Studies, English, & Mathematics. The department gives depth knowledge of the base of the engineering and to groom the students to perform well and apply the principals of Mathematics and Physics in the research and development.

RESOURCES

COMPUTER CENTER

Institute's advanced air-conditioned computer center and computer lab, through broad band connection with pleasing ambience, high-end servers to cater to the needs of the networked environment which can be accessed by students during college hours.

LABORATORY

The institute has well equipped laboratories that have been aesthetically designed and arranged with modern equipment and infrastructure to completely cover the syllabus of each branch of study. Laboratories are completely independent and free to investigate anything those interests in them.

LIBRARY

The primary mission of the library is to support the educational and research programs of the institute by providing access to information that is consistent with the present and anticipated educational and research functions of the institute. Library has a rich resource more than 11000 volumes of books, 3000+ titles, 30+ International and 50+ national journals and also available numerous lectures and web courses in various disciplines which can be assessed through internet.

CLASSROOM

The students' satisfaction is of paramount importance for the college. The college has evolved effective method of teaching in the high-tech class-rooms with good seating, glass boards and OHPs in need as teaching aids.

SEMINAR HALL

Seminar halls are fully AC, media equipped with LCD, Overhead Projector, HD sound System. It has capacity of 200 viewer seats and 10 stage seats.

AUDITORIUM

"Merchant Auditorium" is excellent centrally air-conditioned hall, technically well-equipped with state of the art acoustics and excellent light and HD sound facilities which can accommodate 700 persons.

SPORTS

We believe that a healthy mind works better and that sports help to inculcate good qualities in the students. Involving students in competitive sports encourages healthy competition, co-operation and leadership qualities. Institute is having indoor games like Table Tennis, Chess, and Carom Board; while campus is having well maintained cricket ground, football ground, volleyball court and Badminton court.

ACCOMMODATION

The college campus has spacious, well-designed and properly furnished hostel for boys; which is equipped with up to date security cameras and TV rooms, free hi-speed Wi-Fi connection, and other amenities for sports, recreation and entertainment. Hostel is having its own catering service for vegetarian meal.

CAFETERIA

Modern cafeteria functioning in the campus accommodates more than 200 students at time, which provides hygienic meal, snacks and beverages both to the students and staff at reasonable rates.

TRANSPORTATION

The location of the campus is on the main road between Mehsana and Visnagar and it is 6 km away from Mehsana. To help students to arrive on time, college is providing bus services from Mehsana, Visnagar, Ahmedabad and Gandhinagar to Merchant Education Campus at very affordable rates.

HOSPITAL

Health care is recognized as a basic requirement to support any kind of human activity. Our institute pays unstinted attention to medical fitness of students. College is having a medical room and basic first aid facility in college and also college is in association with different blood banks and organizing the blood donation camps as a social obligation.

SCHOLARSHIP

The institute provides facility for the government scholarship for ST, SC and SEBC students for their education. The institute also helps brilliant students to get financial loan for their studies with poor financial back ground and from the State Bank of India and Dena Bank.

ACTION LEARNING

CONFERENCE

We have organized International Conference on "Contemporary Issues in Engineering and Technology" to provide a forum to share and deliberate on the latest research technologies and tools employed by researchers and technical experts from academics and industries of India as well as International Community.

WORKSHOP AND SEMINAR

The purpose of Workshop and Seminar is to raise the consciousness of students and faculties about the importance of engaging in action and discourse directed towards social change;

CAMPUS LIFE

Campus life is one of the most exciting and important phases in anyone's life. During this period, a student comes across several experiences, and learns new things. For this, institute celebrates Orientation Function, Technical Event, Fresher party, Annual Day and Farewell Day, Navratri Celebrates, National Days, Teacher's day, Sports week and many more.

PROJECT

Project can be one of the most efficient ways to learn as they force students to apply the skills while learning them.

INDUSTRIAL VISIT

Industrial visit is a vital part of the curriculum which overcomes the gap between classroom and the real working world. The visit also provides first-hand knowledge about the organizational structures and modes of operation in different industries.

EXPERT LECTURE

MIT realizes the importance of giving additional inputs to the students in the form of expert lectures in addition to academic knowledge being imparted during class room lectures.

COMMUNITY AND EXCELLENCE

ENTREPRENEURSHIP CELL

The Entrepreneurship Development Cell (EDC) organizes Entrepreneurship Awareness Camps, Entrepreneurship Development Programmes, Faculty Development Programmes and Skill Development Programmes in institution for the benefit of Students & Faculties

SAEINDIA

Our institute stood 38th rank out of 100 teams all over India considering in innovation, design marketing and technical inspection in F1 Car in SAEINDIA SUPRA Event.

CAREER SUPPORT

The Placement & Training Cell acts a vital link between students and reputed industries, where they could undergo industrial training or execute industry sponsored projects in order to update and upgrade to their technical skills. Moreover we develop the critical employability skills in students to boost their personality.

SWAMI VIVEKANANDA CENTER FOR POSITIVE THINKING

SVCPT, at MIT emphasizes the greater importance on value education. Swami Vivekananda believed and taught that the right type of education that would inculcate higher human values-what he called man-making and character-building education.

IIT REMOTE CENTER

Our institute has advanced IIT Remote Center to conduct two week ISTE workshop on field of Computer Programming, Fluid Mechanics, Signals & Systems, Analog Electronics, in which large number of faculty has boosted their knowledge supported by MHRD.

ALUMNI

The Alumni Association is molded to reach, engage and serve all alumni, present students by networking with one another to foster a life-long intellectual and emotional connection between the college and its graduates;

ACCOLADES & NEWS

વિસ્તારગરમાં ત્રિ-દિવસીય આર્.સા. કોન્ફરન્સ યોજાઈ

વિસ્તારગરમાં આજ રોજ ત્રણ દિવસીય આર્.સા. કોન્ફરન્સ યોજાઈ હતી. આ કોન્ફરન્સમાં વિસ્તારગરના વિદ્યાર્થીઓએ તેમના અભ્યાસ અને વ્યવસાયિક જીવનના અંગત અનુભવો વહેંચી શક્યા હતા. આ કોન્ફરન્સમાં વિસ્તારગરના વિદ્યાર્થીઓએ તેમના અભ્યાસ અને વ્યવસાયિક જીવનના અંગત અનુભવો વહેંચી શક્યા હતા.

ભારતીય સરકાર પટેલ એન્જીનીયરીંગ કોલેજના વિદ્યાર્થીઓની પસંદગી

ભારતીય સરકારે પટેલ એન્જીનીયરીંગ કોલેજના વિદ્યાર્થીઓની પસંદગી કરી છે. આ પસંદગીમાં કોલેજના વિદ્યાર્થીઓએ તેમના અભ્યાસ અને વ્યવસાયિક જીવનના અંગત અનુભવો વહેંચી શક્યા હતા.

મર્યાદામાં યોજાયેલા જોબફેરમાં 688 ઉમેદવારોએ નોકરીની પસંદગી કરી

30 કંપનીઓએ ભાગ લીધો, 12 હજારના રજીસ્ટ્રેશન થયા

મર્યાદામાં યોજાયેલા જોબફેરમાં 688 ઉમેદવારોએ નોકરીની પસંદગી કરી. આ જોબફેરમાં 30 કંપનીઓએ ભાગ લીધો અને 12 હજારના રજીસ્ટ્રેશન થયા. આ જોબફેરમાં વિદ્યાર્થીઓએ તેમના અભ્યાસ અને વ્યવસાયિક જીવનના અંગત અનુભવો વહેંચી શક્યા હતા.
